$1.443 Tax Levy Okayed By Grade School Board; Scully Property Bought

A tax levy of $1.443 per $100 assessed valuation in the Antioch grade school district was approved and appropriations for the school year were given an okay at a meeting of the board of education Tuesday evening.

Of the $1.443 total, 90c would go for education (teachers' salaries, etc.), 14c for building, .191c for bonds on Oakland school. .123c for bonds on the Antioch school, .019c for municipal retirement, .020c for transportation and .050c for a working cash fund.

The assessed valuation of the grade school district was listed by Lake county as $21,500,000.

No one appeared before the board from 8 to 8:30 p.m. during a public hearing on the tentative budget adopted earlier this year. So the figures okayed then with some minor changes, was adopted once again.

In other action Tuesday night, the board formally approved the purchase of the Anthony Scully property adjoining the Antioch building on Main street at a cost of $22,000.

The home now is being rented by the Dotson family. Mrs. Dotson is an employee in the office at the grade school.

At least part of the land purchased will be used for the parking of school buses.

The board tabled a plan to blacktop the drive in front of the Oakland school building, saying that it ought to wait until the ground there becomes more firm.

Two bids on the project had been submitted, one by Skokie Valley Asphalt Co., and by Peter Baker and Son.

Jack Heik was hired as a grade school bus driver and custodian at a $4,000 a year salary.

Insurance covering the purchased Scully property was awarded to Bernard Osmond of Antioch.

The board was told plans call for moving the garage near the old Oakland school building to another site on the school grounds.

Local Sewage System Problem Is Discussed

The ANTIOCH NEWS in continuing its policy of presenting the facts on issues that will face village people in the coming months, this week is publishing the complete letter from the Illinois sanitary water board concerning the village's sewage system.

This will be found on page 2, the News' editorial page, as a letter to the editor.

Fire Equipment Back in Station

Antioch fire department's fire trucks, jeeps, equipment carrier and other trucks were in their remodeled and enlarged station this week

Work on construction of the addition to the headquarters at Orchard and Broadway was completed late last week.

Trucks that had been housed at the village's garage near the sewage disposal plant while building was underway, were moved in Saturday afternoon.

The addition provides much needed room for not only the trucks and related equipment but also for men to move around more easily and quickly.

The work also included a new driveway and some changes in the sidewalk on the Orchard street side. Doors that hung formerly on the old building now are on the addition.

Vos Construction of Antioch was the builder.

Arrival of a new fire truck is expected next month. This will not replace present equipment, but will be an addition, particularly for rural calls. A feature of it will be a large water tank.

Past Masters Night Slated

Alan Shepard and Mrs. Shepard of Chicago will entertain members and their guests of Sequoit lodge No. 827, A. F. & A. M., at the lodge's annual past master's night Saturday evening, September 17, in Wesley hall.

The Shepards will present a rare and rewarding experience in entertainment with an exciting and vivid demonstration of the fascinating mysteries of the mind.

Mr. Shepard will act as narrator and will invite people in the audience to test Mrs. Shepard and, if possible, to probe her mental processes.

Challenging the speed of a calculator, Mrs. Shepard obtains her answers so quickly, she creates the illusion of having mystical powers.

Scientists and educators are baffled by her unique ability to mentally compute figures reaching astronomical proportions.

Dinner to be served about 7 p. m. in the Antioch Methodist church hall will precede the program.

Reservations were needed for the dinner and the deadline for them already has passed. The program will start about 9 p. m.

Dance Saturday Night To Aid GOP Auxiliary

A dance sponsored by the Antioch Township Republican's Women's auxiliary to raise money for its activities will be held from 9 p.m. to 1 a.m. on Saturday, September 17, in the American Legion hall at Antioch.

Music will be furnished by the Rhythm Kings.

Committees in charge include Agnes Van Patten, Donna Dittmer, Grace Amendola and Marcella Story, decorations; Lu Gene Nissen and Emily Novotny, tickets; Marie Letkey and Beatrice Stillwell, refreshments, and Marilyn Sterbenz, publicity.

Tickets for the dance are being sold by auxiliary members.

4 Local Stores To Release 2,000 Balloons Sept. 24

Two thousand helium filled balloons containing registration cards made out by as many Antioch and vicinity residents, will be released at 11 a.m. Saturday, September 24, at routes 59 and 173.

The contest sponsored by the Antioch IGA store, Ace Hardware, Modern Living store and Shoes by George store is open to anyone interested. No purchase is necessary.

Registration will begin Friday, September 16, and will close Friday, September 23.

Anyone who recovers one of these balloons and returns the registration card inside will be awarded a free gift. The person whose name is on the returned card will receive four free gifts (one from each store).

A special gift with a retail value of $50 will go to the person who returns the card with the highest number and the same will be awarded to the person whose name is on the card.

Winners will be announced in The Antioch News the week of October 10 and also will be posted in the four stores.

Lindenhurst Roads Improved

FLAMES BURSTING OUT at one end of the Lawrence Loecher farm barn that burned to the ground last Thursday evening are shown in this photo taken within the first half hour after the blaze broke out. Straw and hay that caused so much smoke and heat are burning furiously here. A corner of one shed that firemen from Antioch and Newport protected with water during the blaze is shown at the left. A milk house also was destroyed. Leaves were burned off the tree at the right and at times fire blazed up in its branches. Antioch had two trucks at the scene first and later Newport crews and equipment working. Damage was estimated at $75,000 to $100,000. (Antioch News photo)

Spectacular Blaze Levels Barn, Shed East of Village

A spectacular blaze that drew hundreds of spectators lining route 173 about a mile east of U.S. highway 45 last Thursday evening destroyed a large barn and milk shed on the Lawrence Loecher farm.

Nearly 50 head of cattle were saved but milk plant equipment, hay, straw and oats were lost in the blaze that did damage estimated by Loecher at $75,000 to $100,000.

The 40 by 80 foot barn about three stories tall burned to the ground as did a milk shed to the east of the barn.

Two small sheds and a house were saved by crews from Antioch and Newport fire departments.

Two Antioch trucks and crews were the first on the scene, setting up hose lines to protect nearby property and preventing the spread of the fire to other buildings.

Newport firemen arrived later and spent the night keeping watch on the burning embers that flared up through much of the night.

The farm is located in Newport Township, fire chief Ed Simonsen of the Antioch department explained. However, Antioch was the first department called and responded without question.

The farm's phone is in the Antioch exchange.

Loecher discovered the fire about 5:30 p.m. last Thursday while he and his two sons, Larry 18, and Lee, 17, were doing the milking. He said he glanced up the hayloft and saw the whole mow ablaze.

The trio, helped by Mrs. Loecher, removed the cows from their stanchions safely but heat was so intense by then nothing else could be saved.

The animals were taken to the Roy Stephens farm.

Cause of the barn fire was believed to be a spark from a rubbish blaze which had been burning during the late afternoon. Water had been poured on the rubbish fire, Loecher said, but despite this a spark may have been carried to the barn.

Antioch firemen and spectators noted a wind from the east fanned the barn fire and might have blown the spark to that building.

One Antioch fire truck was located near the house to protect it and smaller buildings from the barn-milk shed blaze. Another Antioch truck was to the east of the barn to protect other small structures.

At the height of the blaze, a tractor was used to pull two hay wagons from near the barn.

The wind fanned the fire in the barn and milk shed buildings to make it so hot it was hard to pass between the burning barn and a shed nearby to reach the house.

Wires and utility poles near the barn blazed up as did a large tree.

Route 173 was lined on both sides for some distance on both sides of the farm entrance as people passing by noted the heavy smoke and blaze that was emitted.

The smoke could be seen from some distance away.

The Loechers, who have resided on their farm for about 12 years, said they had insurance but it was not expected to cover the loss of the barn, milk shed and equipment that were lost.

Loecher indicated he planned to re-build the barn and continue dairying.

Trevor PTA Installs Officers on Tuesday

TREVOR, Wis. — Officers were installed when the Trevor school PTA held its first meeting of the 1960-61 school year Tuesday evening at the school.

Seated were Mrs. Gordon Dillon, president; Mrs. John Plunkett, vice president; Mrs. Frank Mattis, secretary, and Mrs. Sam Barranco, treasurer.

Members received program books and also enjoyed a program presented by Wilmot high school students.

'Doughnut Day' Raised $204 in This Village

Volunteer "Doughnut Day" taggers in Antioch raised $204.57 for the benefit of the Salvation Army on the annual tag day held June 10. reports Mrs. Francis Burke of Rte. 1, Box 427, chairman for Antioch.

Mrs. Ann Kopriva, of Rte. 2, Box 136, served as co-chairman. The 1960 quota for Antioch was $140.

Public Dance Sept. 15 To Aid Emmons Pupils

A public dance open to any boys and girls in the sixth grade or higher will be held in the basement of the Emmons school Thursday evening, September 15, from 7 to 10 o'clock.

This "back to school" dance will be sponsored by the seventh and eighth grades of the Emmons school to help finance the trip to Springfield by the eighth graders next spring.

Sewer System Survey Report Scheduled Soon

LINDENHURST — Oiling and other improvements to roads in the village of Lindenhurst was underway this week under a program adopted recently by the village board of trustees.

Grading and spreading of gravel on some of the streets is part of the project, the board was told at its monthly meeting Tuesday night. In addition some ditching and culvert work are to be done.

The village engineer said he hoped to have the village sewer project survey ready for the October meeting of the board.

Such plans must be approved by the state and by Lake county.

There was considerable discussion over whether or not to purchase a new police squad car and what type to buy if it was done. There was general agreement that a new one was necessary.

Whether it should be a 6-cylinder or a V-8 was discussed..

Finally the matter was turned over to the village board's police committee for study and a special meeting may be called to consider the matter.

Weed cutting on vacant lots in the village was "going well," the board was told. Most of this work is finished for the year.

Street signs and their locations were discussed. These were believed to be ready for erection within a short time.

It was announced that a sign would be erected soon near the Lindenhurst Men's club building telling of a church that will be erected there.

No action was taken by the board on the request of Piggly Wiggly store soon to open in Lindenhurst Shopping Plaza for a beer license.

Elfers Loses In GOP Bid

KENOSHA — Earl H. Elfers of Salem, Wis., apparently lost the Republican nomination for assemblyman from the 2nd district although complete returns were not in from all voting districts Wednesday morning.

The Kenosha county vote, however, was 1844 votes for Elfers and 2239 for his opponent Russel A. Olson.

In the race for the GOP nomination for congressman from the 1st district now represented by Democrat Gerald T. Flynn. results were not conclusive as of Wednesday morning.

However, Kenosha county gave Rev. Henry C. Schadeberg of Burlington 2330 votes, to 1863 for Edward Zahn Jr. and 952 for Richard G. Harvey Jr.

Flynn, running unopposed on the Democratic ticket, received 4978 in Kenosha county.

War Centennial Planned for '61

A Civil War centennial will be held in Antioch next year if plans of the local Lions club materialize. The celebration will be a town-wide affair with all organizations banding together to put it over.

The Lions voted Monday night to put on the centennial.

It will contact the Antioch Chamber of Commerce, VFW, American Legion, Antioch Woman's club and other organizations to "get together". June has been mentioned as a tentative month for the event.

A Lions club committee consisting of William Brook, Robert Wilton, Al Dittman, K. F. Deitrick and Dr. James Kopriva was named to work on the job.

Dr. Kopriva contacted the Illinois Historical Society Tuesday, and was told that the Lions Culb of Antioch is the first group in the state to announce plans for the centennial celebration.

Many residents of the Antioch an dthe surrounding area fought in the Civil War and many families now in this area had relatives in it.

Banquet Scheduled

SALEM, Wis.—Residents of Salem and vicinity are being reminded these days of the father-daughter banquet sponsored by the Dorcas guild to be held Saturday evening, September 24, in the Salem Methodist church.

New Ben Franklin Store Opens Nov. 17

Antioch's new Ben Franklin Store, the most modern and completely stocked variety store in the Chain of Lakes area, will be opened about November 17, under ownership of Chester Dubas of Buena Park, Lake Villa, THE ANTIOCH NEWS learned this week.

The store now is being built at 414 West Lake Street, near Broadway.

Construction will be completed in a few weeks and fixtures will then be installed and displays of new merchandise arranged for pleasant, convenient shopping, Dubas announced.

It will be a completely self service store, carrying over 14,000 items, and will be close to free parking areas.

Plans for the Grand Opening, with attractive gifts for all children and adult shoppers, will be announced soon, according to Dubas.

During this Grand Opening, he said, there will be special low prices on many nationally advertised products.

"From the minute we open, our store will have a policy of guaranteed customer satisfaction of every item we offer. Every shopper has an absolute right to an unquestioned refund or exchange on any products," he declared.

"Opening just at the holiday season," Dubas added, "we will have hundreds of toys that are new this year, as well as gift items, tree and home decorations, gift wrappings, and other holiday needs."

Ben Franklin independently owned and managed stores give shoppers the benefits of central buying and modern merchandising, Dubas explained.

Over 2,400 Ben Franklin stores work cooperatively with the nationwide buying organization of Butler Brothers, which has headquarters and one of the world's largest merchandise distribution centers in Des Plaines, Ill.

To serve the varied needs of modern families, Butler Brothers professional buyers interview over 10,000 salesmen a year, visit 2,500 sales offices and manufacturing plants in order to hand pick select merchandise for Ben Franklin stores.

On the average, buyers examine 20 new products for every one they select as being suitable for Mrs. Homemaker.

Then the product is put through many tests before it is accepted.

Once satisfied with the product's quality, Butler Brothers buyer then is able to make a quantity purchase, passing on savings to shoppers in local Ben Franklin stores.

The Des Plaines distribution center receives merchandise from over 600 manufacturers.

"With this organization in back of us, the Ben Franklin voluntary chain has grown in the last five years to become the largest group of variety stores in the country," Dubas declared.

Dubas has been in the variety store business for 12 years, operating other large Ben Franklin stores in Skokie and Elmhurst.

He said Antioch was selected as the site of the new store because the city promises to become the shopping center for the entire Chain of Lakes area.

"In the next few years, we're going to see a great deal more growth in Antioch," he predicted.

Dubas and his family have spent summers in the Columbia Bay area of Lake Villa for the last several years and now are making their year-around home there, having sold their home in Elmhurst.

He and his wife, Jean, have three sons, Gregory, Bradley and Randy, and a daughter, Cindy Beth.

Gregory is completing high school this year, Bradley is entering his freshman year at Antioch high school, and Randy is a pupil at Prince of Peace parochial school, Lake Villa.

Manager of the new Ben Franklin Store will be Arley Cummings, who has been in the variety store business for 15 years. He also plans to move to the Antioch area.

Chain-O-Lakes Water-Patrol — Take a Bow

Perhaps one of the most frustrating yet rewarding jobs for volunteers in these parts is the work of the Chain-O-Lakes Water Patrol which covers the chain from the far northern reaches of Lakes Catherine and Channel to the southern borders of Pistakee Bay as well as in between.

A couple of weeks ago Editor Henry Green of The Antioch News was a guest of two patrolmen for a cruise through Bluff Lake, Lake Marie, Lake Catherine and Channel Lake and the channels that connect them.

It turned out to be a relatively quiet Saturday afternoon for "sailing" in a powerful outboard motorboat. But an observer could see at a glance what the work of the volunteers is.

We stopped only one boat, one that was towing a water skier with only one person in the boat, which is a violation of the rules. Water Patrolmen pointed out that one person should be watching the skier at all times.

Therefore two persons must be in a boat towing a water skier, one to operate the craft and the other to watch the man or woman following behind.

This particular boat was being operated by someone not familiar with the rules, this being his first trip on the Chain-O-Lakes. The owner was given a warning by the Water Patrol.

The Water Patrol is a volunteer group, serving without pay and raising money for its operations through dances and the like.

It maintains patrol boats at both ends of the chain, which operate Saturdays and Sundays during the summer. They also will continue patroling weekends as long as the good weather holds.

To the Water Patrol members we say, "a good job, well done."

BY LOU DURKIN

This is the happy political season when the candidates meet their constituents under the blue skies of late summer with picnics, garden parties, golf outings, and other fresh air activities . . . and the fresh air is a welcome change from the normal political atmosphere.

Durkin

Both the Republicans and Democrats had major outings last Sunday and both regarded the perfect weather as an indication that the Fates are smiling on their efforts to win office.

The Democratic outing at Adlai Stevenson's Mettawa estate offered a sharp contrast to the family picnic outing offered by the Grant Township Republican Club at Deer Haven Sunday.

The big turnout of Democratic party faithful looked more like garden party goers with more of the social gathering than the political outing atmosphere about the event as the crowd sipped raspberry punch and nibbled on cookies.

In sharp contrast the Republicans turned out for the annual Grant outing with the families in tow, in shirtsleeves and sportshirts, and they feasted on hot dogs and beer.

The big attraction at Mettawa was Bobby Kennedy, hardnosed younger brother of presidential nominee John F. Kennedy, who stole the spotlight from the announced star of the outing Tyler Thompson, Democratic candidate for U. S. Representative from the 13th Congressional district.

The presence of Kennedy, Stevenson and Tyler shoved Lake County candidates into the background, although Bill Gyzen, the Democratic candidate for county coroner, made a valiant effort to get into the receiving line with the party big wheels.

• • •

Out in Grant Township Gov. William G. Stratton was greeted by a big crowd of "home town" folks who heard him tear into his opponent Otto Kerner again.

Gov. Stratton, who is hammering away at the "Boss" Daley issue and Kerner's unfamiliarity with state government, shared the spotlight with Cong. Marguerite Stitt Church and most of the county candidates.

Both parties bid again next Sunday for the outdoor vote with the Lake County Democratic central committee holding its annual picnic at Serbian Monastery and the Republicans welcoming Sam Witwer, candidate for U. S. Senator, to an outing at the Gayelord Donnelly estate in Libertyville.

Next Sunday probably will find the Democrats in shirt sleeves drinking beer and the Republicans attending a "garden party."

• • •

On Wednesday, September 21 the Republicans of Lake County will flex their muscles at the annual Lake County Republican central committee golf outing at Chevy Chase.

The following week Cuba Township residents, with the help of GOP officeholders and enthusiasts from the area, will say "Thanks" to Supervisor Joe Welch at the annual Joe Welch day at the Biltmore Country club.

• • •

Lake County taxpayers turned thumbs down on additional taxes in four referendums Saturday with school taxes taking a beating in Round Lake and Grayslake and a sewer bond issue being rejected in Mundelein.

This is one way to hold the line on higher taxes, but the defeat of a referendum always seems to us like a last ditch defense.

There are scores of village board and city council meetings in Lake county every week, there are school board sessions, and county board sessions, town meetings, and park board meetings where the money is appropriated and spent with never a word from the populace.

It's our guess that officials of taxing bodies would tighten their belts and would be better able to resist pressure groups if every civic and service organization appointed a committee to attend these meetings, not as pressure groups seeking special consideration, but as observers to see where the money is going.

These committees could report back to their clubs on the activity of the taxing bodies, could study proposals for new buildings, study the plans for additional facilities and make sure that the officials are getting the most out of the tax dollar.

It is too late to complain when a new school is built and the frills are installed; it is too late to complain when sewer systems fall apart from lack of maintenance.

Construction Company Seeking Site in Area

A construction company office building and garage would be built on land just north of the Grass Lake road about a mile west of the bridge over the channel between Grass lake and Fox lake if a zoning change is allowed.

Lawrence Onesti and Inez Onesti, living on the Grass Lake road at the west end of Antioch Township, have asked the Lake county zoning board of appeals to change from B-1 (business) district to I-1 (light industrial) an area north of the Grass Lake road.

Onesti said he will be associated with a Chicago construction firm. Plans call for the Chicago company to move its entire operations out here within a year or two when it is firmly established in this section, he said.

A public hearing on changing the zoning will be held at 1:30 p. m. Tuesday, October 4, in the Antioch village hall.

The petition for changing filed by Mr. and Mrs. Onesti is on file at the office of the zoning board of appeals at 316 Washington street, Waukegan.

If you want to sell — phone 43 or 44 and tell.

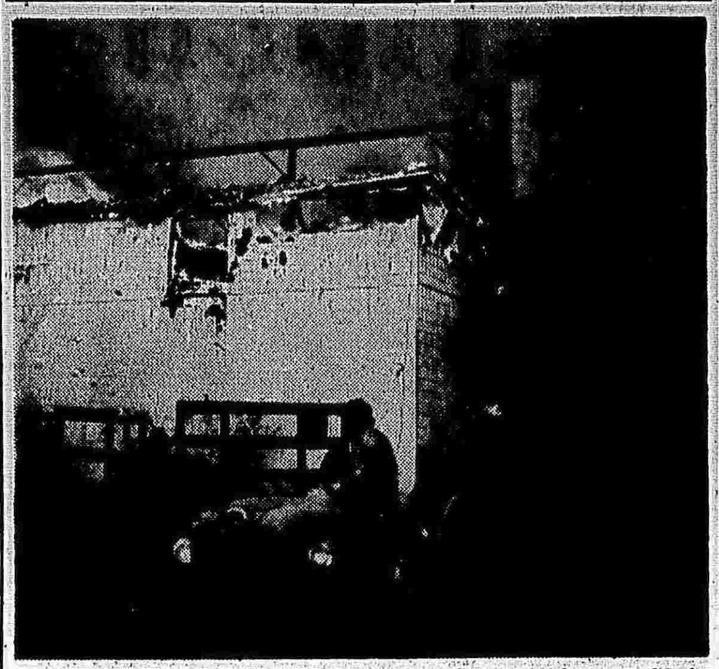

Attend Ceremony

Mr. and Mrs. Edward J. Frazier of Antioch were invited to attend the recent banding ceremonies of their daughter Elizabeth Louise, to be held at the Wellington Congregational church in Chicago.

She is a student of Illinois Masonic Hospital School of Nursing.

TWO ANTIOCH PEOPLE don't agree with the Chicago policemen investigating the deaths of two prominent social Chicago ladies that took place recently on a downtown street intersection in that city.

Nick and Ellen ....., proprietors of a local lunch room, tell us that they saw the vehicle which authorities say struck the two women as they crossed a busy street a few weeks ago, injuring both of them fatally.

The local couple agree that the vehicle was a light colored car, but they believe it was a Ford hardtop rather than another make as police authorities have indicated they believe it was.

Some reports have said Chicago police think it was a convertible but Nick and Ellen, who were on the scene of the mishap only moments after it happened, say it was a hardtop.

They say witnesses could have been misled by the fact that the body of the car was a light color, possibly yellow, and the top was black, which might in the darkness give the impression it was a soft-top convertible.

Nick says both he and his wife had a good look at the auto involved.

• • •

IN FCAT, according to them, if they had known the car that allegedly was involved in the fatal mishap had actually killed or injured someone, the local pair could have chased the other vehicle.

But the tragedy was not learned until Nick and Ellen had stopped. By that time the other car was out of sight and beyond chasing.

Nick thinks the fatal car must have been damaged considerably, because according to him it struck a divider between two highways and then another car before continuing on out of sight.

The two Antioch people were in a car not their own with some friends at the time. But still they would have chased the other auto if they had realized the situation quicker, Nick says.

The local man explains that the rear lights on the Ford and the car the Chicago police think was involved are similar. But he said he had a good close view and is convinced it was a Ford.

Rosecrans School and Site to Be Auctioned

Rosecrans public school and its site located east of Antioch in Newport Township will be auctioned off Saturday, September 17, the Lake county board of school trustees announced this week.

Pupils at the Rosecrans school now are attending the new Newport Township consolidated school. It was abandoned eight years ago but title to the property was not cleared until two years ago.

The Rosecrans property will be sold at the site at 9:30 a.m.

DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space each week. Equal weight is given on this page to your ideas and the paper's ideas on subject matter. Letters must be signed with complete names and addresses but will be withheld upon request. No letter should exceed 300 words.

The following letter was received recently by the village of Antioch from the Illinois Sanitary water board concerning the local sewage treatment plant and its expansion. It is being published by The Antioch news to help people understand the problems involved.

September 1, 1960

President and Board of Trustees
Village of Antioch
Antioch, Illinois

Engineer E. L. Marek of our Chicago office has reported on his August 16, 1960 inspection of the Village of Antioch Sewage Treatment Works. Charles Maplethorpe, Operator, was on vacation. However, George Boyd of your Public Works Department was present during this inspection of the sewage treatment facilities.

As you recall, in our letters of August 4, 1958 and June 16, 1959, we directed your attention to the need for expansion of the sewage treatment plant to meet the increasing population in the Village of Antioch.

The present estimated population of the Village of Antioch, we understand, is approximately 2200 persons. Flows to the plant have averaged in excess of 200,000 gpd.

Also a considerable load is placed on the sewage treatment works by the discharge of approximately 40,000 gallons per day of wastes high in Bio-Chemical Oxygen Demand from the Willowdale Dairy.

The existing sewage treatment facilities were designed to serve an equivalent population of 1800 persons at an average daily flow of 180,000 gallons per day.

Our engineer's report indicates that all units of the sewage treatment plant are overloaded; however, through the efforts of your plant operator, Mr. Maplethorpe, a satisfactory effluent is still being discharged to Sequoit Creek.

However, it appears that the Imhoff tank and intermittent sand filters, judging from their rapid deterioration, will be of little value in the near future.

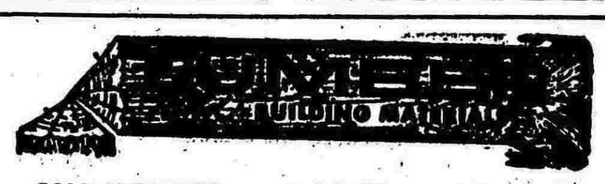

Also, the sand filters are taken out of service during the colder months which will very likely result in the discharge of an unsatisfactory effluent to the receiving stream.

In view of these conditions, we wish to advise that this Board will not issue permits for additional sanitary sewer extensions in the Village of Antioch until final plans for plant expansion to adequately serve the present and future population are submitted and approved.

Should you have further question regarding this matter or regarding the operation of the sewage treatment works, please call directly upon us or upon the Engineers assigned to our Chicago office at 1919 West Taylor Street, Phone Seeley 8-2160.

We also urge that continued and increased emphasis be placed on the elimination of excessive amounts of storm water infiltration which enter the sanitary sewer system during and after rains.

Very truly yours,
ILLINOIS SANITARY WATER BOARD

Chester Dubas Family Are Recent New Residents of Lake Villa Area

By Mrs. Bernice Bernau
Phone Elliot 6-5649

LINDENHURST — Mr. and Mrs. Chester (Jean) Dubas of Buena road, are permanent residents of Buena Park subdivision, Lake Villa, now.

After spending their summers and weekends out here for five years, they moved in for good, September 8.

They formerly lived on the Northwest side of Chicago.

Mr. Dubas is owner of the new Ben Franklin Store being built on Lake street in Antioch, between the Western Tire and Auto store and the Jewel Tea store.

The store should be finished by the end of October, and open before Christmas.

He is quite a young man, only 40 years old, to be doing so well.

He has owned the newly remodeled Ben Franklin store on Oakton street in Skokie for nine years and the one in Elmhurst on Butterfield road for three years. Before going into the merchandise business he had a meat market.

The Dubas' have been married 18 years and have four children.

Greg is a senior at St. John's Prep school in Collegeville, Minn., Brad is a freshman at Antioch High School, Randy, fifth grade student at Prince of Peace school in Lake Villa, and a daughter, Cindy, too young for school.

Randy and Brad took swimming lessons at the Lions Club pool this past summer. They also took paint and art lessons but gave them up. Having the supplies on hand, and enjoying painting, Mrs. Dubas took lessons.

She intends to go on with her hobby, after she gets settled. The whole family enjoys riding in their Chris-Craft boat, and the boys and their Dad enjoy water skiing, with Mom doing the driving.

Greg worked in the store with his father quite a bit this summer. Mr. Dubas hopes that all the boys will follow in his footsteps, and own a store someday.

They all enjoy living in this community, and are looking forward to making more new friends when the store is opened.

Congratulations to Ted and Florence Gruszeczki of Hickory court. They were married 11 years September 3. They have three children, Ted Jr., Michael and Debbie. They are fairly new to the community, having lived here since June.

Parents Of Boys Reminded Scout Program Started

"More than 2000 boys will be applying for membership in cub packs and Boy Scout troops in the North Shore Area Council during the next three months," said E. A. Schwechel, scout executive.

Parents who wish their sons to enjoy benefits of the Scouting program may receive information regarding membership and available units in their neighborhood by calling the council office in Glencoe at VErnon 5-4124.

Meetings for most Scouting units began in September immediately after the opening of school.

Many council and district program events are scheduled during the Fall season.

The first meeting of the council executive board will be held at the Moraine hotel in Highland Park on September 14.

September 16-18 more than 60 commissioners will attend the fall commissioners conference at Camp Ma-Ka-Ja-Wan near Antigo, Wis.

September 30 to October 2 members of all Service clubs in the council are invited to a fellowship weekend at Camp Ma-Ka-Ja-Wan.

A junior leadership training conference will be held October 7 and 8 at Camp Crown, near Wilmot, Wis.

Three districts will hold fall camporees October 14th to 16th. These are New Trier at Busse Woods, Lake Shore at Camp Wilmot and Skokie Valley.

LIBERTYVILLE — Recent births at Condell Memorial hospital in Libertyville have included a son born to Mr. and Mrs. Richard Zieman of Lake Villa.

Commonwealth Edison Sets Stock Dividend

Directors of Commonwealth Edison company have declared a 2.4 per cent stock dividend (three shares for each 125 held) on the common stock in addition to the base quarterly cash dividend of 50 cents a share.

The action of the board, which is subject to Illinois commerce commission's authorization, continues the regular cash and stock dividend policy inaugurated two years ago.

The previous stock payments were 2 per cent in 1958 and 2-1/3 per cent in 1959.

Under this policy the company issues a supplementary stock dividend each year for approximately the full amount of its earnings on the common stock in excess of the base cash dividends.

The company also declared the regular quarterly dividend of $1.16 a share on its 4.64 per cent cumulative preferred stock, and $1.31¼ a share on its 5.25% cumulative preferred stock, payable November 1, 1960, to stockholders of record September 22, 1960.

George A. Swenson, past commander of Antioch Post 748 American Legion, attended the American Legion convention.

Kenneth Denman of L.V. Is Land Bank Director

LAKE VILLA—Kenneth Denman of route 45, Lake Villa, is a director of the Federal Land Bank association of Woodstock which will attend a meeting in LaSalle September 15 of the Illinois associations in this area.

The group will review the progress of the past year and make plans to best serve the long-term credit needs of Illinois farmers in the future.

The Federal Land Bank of St. Louis serves farmers in Illinois, Missouri and Arkansas through 68 Federal Land Bank associations over the 3 states.

Ray Timmons, manager of the Woodstock association, said the association has made plans for serving the long-term credit needs of as many farmers as possible in the association's territory.

The Woodstock association serves Boone, Lake and McHenry counties.

BREATHE PURER, FRESHER AIR IN MINUTES WITH PURITRON®
New electronic miracle helps rid the air of dust-pollen, odors and smoke!
No bigger than a radio, this portable Puritron can do so much for the air in a 15 x 15 ft. room . . . even an unventilated place like a basement rumpus room, apartment-house kitchen, or office without windows. Just plug it in. It cleanses the air electronically, then recirculates it in a constant fresh supply. (Imagine sleeping in such clear air.) Wonderful in a kitchen, Puritron actually "inhales" grease particles before they can stain walls. White or gray. It does all we say, or your money back. From $39.95

150° hot water is always on tap in a flameless electric kitchen
Twin heating units in a new Fast Electric Water Heater heat water as fast as it's used. There's no "saving up" for it to do the laundry or dishes. It's always there—150° hot—when and where you need it.
No pilot to light. Once installed, a new Fast Electric Water Heater is on its own. There's no pilot to light or go out, nothing to smell. Compact tank-type models fit in a closet. Modern counter-top models fit in your kitchen or laundry (offer extra work space, too). No flues are needed. No vents or long pipe runs. Electric Water Heaters last longer than any other kind; many have been in service for over 20 years.
When you build, buy an appliance or remodel your kitchen, keep in mind the unique advantages of a flameless electric water heater.

Cerebral Palsy Group to Meet On September 21

The hayloft on the farm of Mrs. John H. Mitchell, Fairfield road, Mundelein will be the scene of "Parents' Night" at 7:30 p.m. September 21, during the fall meeting of Lake County Cerebral Palsy.

It will feature a film, a guest speaker and refreshments.

John Sacuto, the executive director of United Cerebral Palsy of Greater Chicago, will be present.

The success of the Lake County United Cerebral Palsy summer camp for crippled children will be reviewed.

Sixteen children took advantage of the facilities and services provided by the contributions of the citizens of Lake county.

Parents will be asked what they think most helped their children at the camp. The future of the summer camp will be determined by these opinions.

Directions for driving to Mrs. Mitchell's farm are:

From Mundelein, take Route 176 toward Wauconda; turn left (southeast) at Fairfield road (about five miles from Mundelein) and the farm is about ¼ mile from route 176. It will be marked by Japanese lanterns.

United Cerebral Palsy is seeking support of its activities and objectives by enlisting the aid of a corps of able and willing volunteers within the communities of the county.

Any person who would like to be a volunteer may call Mrs. Robert Lubkeman at Antioch 1319.

L. V. Library Will Sponsor Discussions

LAKE VILLA — The Lake Villa Township library is sponsoring a first year great books discussion group in co-operation with the Great Books foundation.

The group will meet twice a month under the co-leadership of Florus B. Albert and Roberta Thompson.

The first meeting will be at 8 p.m. Monday, September 26 at the library.

Registration is now open at the library on Cedar Avenue in Lake Villa, although advance registration is not necessary to join the group.

Mrs. E. P. Prosise, publicity chairman for the library, said "A program such as Great Books answers a real need in our area in that it offers an opportunity for the exchange of interesting, stimulating ideas in an informal situation.

"Sessions are not taught; the Great Books are the teachers. Members do the reading at home and then, at discussion sessions they are asked questions by the co-leaders, volunteers who have had training in the technique of questioning.

Leaders do not supply the answers — the participants do.

A Great Books discussion group in a community provides an opportunity for free adult liberal education. There is no tuition—and no particular educational background is required.

This means that all adults in the area have the chance to do the reading they have always planned to do and to discuss it with fellow citizens.

Participants may supply their own books, borrow them from a friend or a library, or purchase inexpensive, paper-bound editions from the Foundation.

At the September 26 meeting, copies of the first reading, the Declaration of Independence, will be distributed for discussion.

'Letter Writing Week' Announced by Kufalk

The 23rd annual "Letter Writing Week" will be celebrated in Antioch during the week of October 2 to 8, it was announced today by Postmaster Roy I. Kufalk.

Postmaster Kufalk noted that there has been a revival of personal letter writing during the last few years.

"A letter remains the most economical, longest lasting, and sincerest means of extending greetings, communicating social news, and exchanging ideas," the postmaster said.

"During "Letter Writing Week," Postmaster Kufalk suggested that individuals write at least two letters:

"Write one to a friend or relative from whom you have not heard in a long time, and the second as a reply to a friend or relative who recently wrote to you.

He also urged correspondence to people in other countries as a means of promoting greater understanding among the people of different nations.

The slogan of this year's event is "Letters are Links to Friendship."

Evening School At Grant High

INGLESIDE—Grant High school board of education again has set up school facilities for adult evening clasess to be held at the high school beginning October 3 and 5.

They will extend for a period of ten weeks.

Registration will be held at the school between 7 and 9 p. m. Monday, Sept. 19; Wednesday, Sept. 21; Monday, Sept. 26, and Wednesday, Sept. 28.

Two new courses have been added to the curriculum of the adult evening school this year.

The first is "Understanding Your Child" which will cover such topics as the parent and discipline, problems of the teen-ager, early social training of the child, the child and his friends, the child in school and the child and his vocation.

The class will be handled in an informal atmosphere and will be primarily a discussion with the instructor bringing in outside timely materials and also providing a complete bibliography of materials.

The second new course is "Piloting and Small Boat Handling" which will be conducted by members of the United States Power Squadrons.

This will cover such topics as equipment and government regulations, rules of the nautical road, seamanship, safety afloat, the mariner's compass, aids to navigation, charts and piloting, and manners and customs on shipboard.

Further information on these and other courses, class meeting dates and times, instructors and the like may be obtained by writing Adult Evening School, Grant Community High School, Fox Lake, Ill.

Rose Ellen Furlan, Julius Monge Wed Recently at Antioch Church

St. Peter's Catholic church in Antioch was the setting at 12 noon on Saturday, August 12, for the double ring ceremony that united Rose Ellen Furlan of Petite Lake, Antioch, and Julius E. Monge of Gurnee.

Rev. Francis Johnson performed the ceremony.

The new bride is a daughter of Mr. and Mrs. John Furlan of Petite Lake. Her husband is a son of Mr. and Mrs. Julius J. Monge of route 63, Gurnee.

Given in marriage by her father, the bride chose nylon sheer Shiffley embroidery for her wedding gown, featuring a basque bodice, scalloped neckline and shirred sleeves.

Her tiered skirt formed a billowy chapel length sweep. A jewel trimmed coronet crown held her silk illusion veil and she carried a cascade arrangement of white stephanotis and white orchid entwined with ivy.

Mrs. Marilyn Heuer, a sister of the bride, as the matron of honor, wore a copen blue color street length frock of nylon chiffon over taffeta with a bow effect headpiece.

She carried white chrysanthemums and blue carnations in a bow shaped bouquet.

Bridesmaids were the Misses Mary Forbrick, Betsy Frazier, Maureen Smith and Diane Dumek and Mrs. Mary Faris, an aunt of the bride.

Judy Furlan, a sister of the bride, and Cynthia Monge, a sister of the bridegroom, were junior bridesmaids.

All were gowned in similarly colored and styled dresses to the matron of honor and carried white chrysanthemums with red roses in bow shaped bouquets.

Best man was Lester Monge, a brother of the bridegroom. Ushers were Ron Angle, Leon Zeter, John Clem, Ron Magnussen and Roger Shenuk, a cousin of the bride.

Ring bearer was Ralph Monge, a brother of the bridegroom.

A breakfast at the home of the bride's parents followed the church ceremony, with the reception taking place at the American Legion hall at Libertyville.

The couple honeymooned in Waupaca, Wisc., and will reside at Bluff Lake near Antioch.

The bridegroom is a graduate of the University of Illinois where he was a member of Delta Upsilon fraternity.

MR. AND MRS. JULIUS E. MONGE

Edward P. Cranley Jr. Is Married To Mildred Georgenne Swanson

GUTHERIE, Okla. — St. Mary's Catholic church at Guthrie was the scene of the wedding of Miss Mildred Georgenne Swanson of Guthrie and Edward Patrick Cranley Jr. of Antioch, Ill., at 11 a.m. Saturday, August 20.

The bride is a daughter of Mr. and Mrs. Leo F. Swanson of 1501 W. Noble in Guthrie. The groom is a son of Mr. and Mrs. Edward P. Cranley of Antioch.

Rev. John J. Sullivan of Oklahoma City, former pastor of the Guthrie church, officiated at a double-ring ceremony. High mass was sung by St. Mary's choir.

Altar bouquets of white daisies and stock decorated the church. The pews were marked with white satin bows.

Mrs. Ben Vitale played the traditional wedding music and accompanied Miss Mary Vitale as she sang "Ave Maria" by Bach-Gounod.

The bride, given in marriage by her father, wore a floor length gown of embroidered silk organza over taffeta, fashioned with a scalloped, square neckline and short sleeves.

Her fingertip veil of bridal illusion fell from a half-hat of organza and she carried a bouquet of white roses in a cascade arrangement.

As her jewelry she wore pearls which belonged to her great-grandmother, Mrs. Zack Mulhall.

Maid of honor was Miss Marla Machado of San Antonio, Tex., and bridesmaids were Miss Virginia Swanson, sister of the bride, and Miss Mary Ellen Cranley of Antioch, a sister of the groom.

Another sister of the bride, Juliana Swanson, was flower girl.

The maid of honor and the bridesmaids wore identical gowns of turquoise embroidered cotton sheaths with overskirts of silk organza and matching veil hats.

Miss Machado carried a cascade of pink sweetheart roses and the bridesmaids carried Colonial bouquets of the same flowers.

The flower girl wore a pink dress and pink roses in her hair. She also carried a basket of pink roses.

William J. Ford of Chicago, a cousin of the groom, was best man and ushers were Brian Cranley of Antioch, a brother of the groom, and William O. Yates of Hannibal, Mo.

Mrs. Swanson, mother of the bride wore a royal blue silk print dress with blue accessories, and a white gardenia corsage.

The mother of the groom, Mrs. Cranley, chose a beige silk suit with which she wore beige accessories and a corsage of white gardenia with pink sweetheart roses.

Following the ceremony a reception was held at the home of the brides parents. Mrs. Kathleen Cranley of Antioch, a sister of the groom, served the wedding cake.

After a wedding trip the couple is making their home at 512½ East Marion in Mishawaka, Ind.

* * *

Following a wedding rehearsal the day before the wedding, Miss Swanson and Mr. Cranley were honored at a party given at the home of the bride's parents. A dessert course was served to the guests.

Antioch people attending were Mr. and Mrs. Edward P. Cranley, Miss Mary Ellen Cranley, Miss Kathleen Cranley and Brian Cranley.

Calendars Sale Talked at Meet

Turning in listings for the calendar sale of the Antioch Grade School Band Parents association, an annual project of the group, was the principal item of business at its first fall meeting recently.

Members reported the project was a big success last year as a means of raising money for the association. Hope was expressed that it would be an even bigger success in 1960-61.

The matter of serving refreshments at association meetings was discussed. Mrs. Allen Tegan, who has been in charge of this duty for several years, asked for more cooperation among parents of all band members in this matter.

Parents of grade school band members are being urged to join the association "to do a small part to keep this organization the success it has been in the past."

The success of the band itself, leaders pointed out, depends largely on how much help it receives from the Band Parents association.

2 Lake Villa Residents To Attend Church Meet

LAKE VILLA - - Two residents of Lake Villa and vicinity are among those who have registered for the third biennial Presidents' institute sponsored by the Archdiocesan council of Catholic Women to be held September 20.

Melvin Johnson Marks 20 Years With Laboratory

NORTH CHICAGO—Melvin L. Johnson, a resident of Channel Lake Shores near Antioch, was one of two employees of the Abbott Laboratories North Chicago plant who recently observed 20th anniversaries with the firm.

Johnson began his Abbott career as a chemical operator. He became a supervisor in the chemical manufacturing area in 1945 and transferred to chemical area maintenance in 1955.

He was promoted to his present position as maintenance technician about four years ago.

Other Abbott North Chicago plant employees observing long-term service anniversaries included Herbert A. Kaufman of Gurnee, assistant to the vice president in charge of production (40 years), and Floyd K. Thayer of Waukegan, vice president and director of chemical marketing, (40 years).

In the 20-year group with Johnson was Gordon Strub of Gurnee, supervisor in the housekeeping department.

Lodge to Speak At Niles Rally

Ambassador Henry Cabot Lodge will address an estimated 40,000 persons at Old Orchard shopping center at 8 p. m. Thursday, September 15, to open the most dynamic campaign ever undertaken by Republicans in the 13th Congressional district.

Cong. Marguerite Stitt Church (R. Evanston) has told party leaders from throughout the district that the Democrats are determined to cut the normal GOP plurality by 30,000 to 75,000 votes, believing that this will spell the difference between Nixon and Kennedy and between Gov. William G. Stratton and Otto Kerner.

Mrs. Church reported that National Republican leaders have their eyes on the Old Orchard rally seeing in it a new campaign tool if it proves successful.

Ambassador Lodge's Old Orchard address will be a major address. Governor Stratton will head the list of Republican candidates from Illinois who will be introduced.

One highlight of the evening prior to the Ambassador's address will be the appearance of the Skokie Indians, three-time national American Legion drum and bugle corps champions.

Channel Lake PTA First Meeting Slated Sept. 21; Other Area News

By Mrs. Pearl Kapell
Phone Antioch 1837

CHANNEL LAKE — The Channel Lake P.T.A. will hold its first meeting of the school year on September 21. The program will be a showing of a Russian-made film on education in the Russian schools.

Special invitations to attend this movie have been extended to the local clergy and to teachers and board members from other schools in the area.

A bunch of real cool cats gathered at the Ed Baumann home Saturday night. It was a beatnik party, with the Baumanns and the Elroy Andersons co-hosting the affair.

The 14 couples were all in beatnik garb — or their version of it. A hilarious time was had by all and isn't that breaking the rules of a real beatnik?

Mrs. Ann Buescher of St. Petersburg, Fla., a former resident of Channel Lake, is spending several weeks in this area, visiting her daughter, Marcella Story, and a daughter in Chicago.

Mrs. Bess Doty of Felter's Subdivision entertained 24 friends on her birthday on September 7 at a luncheon at the Twilla restaurant in Twin Lakes. The ladies were members of the birthday club and guests.

Mr. and Mrs. Emil Kapischke, Felter's Subdivision, are parents of a girl, Kathee Dee, born August 27 in Victory Memorial hospital. The Kapischkes have another daughter, Audrey, two years old.

Peter Peck and grandson, Jimmy McCarthy, celebrated their birthdays at a joint party on August 31. Mr. Peck's birthday is August 26, and Jimmy's August 31.

Lu Ann McKinney celebrated her birthday September 6 with a party for several of her young friends.

Dorothy Chase and Harriet Runyard celebrated their birthdays at a joint birthday party on September 4.

Present were the Lee McKinneys, the John Runyards, the Dave Runyards, Mrs. Dorothy Olson, Miss Dorothy Olson, the Ted Huckers, the Peter Pecks, Mrs. Mary McCarthy, the Frank Hecks, the William Chases and the Paul Chases. A buffet supper was served.

LITTLE ORCHARD RIDERS, a group of horseback riders organized in March of this year, is shown in this recent photograph taken at the Little Orchard farm on route 173 west of Antioch. The club is building a show ring nearby and plans an "open house" for later in September. Members of the club have won many trophies and blue ribbons in riding competitions in Illinois and in Wisconsin by competing during many Sundays.

Little Orchard Riders Take Home Many Awards From Horse Shows

One of the newer organizations in and around Antioch, the Little Orchard Riders, points to four trophy winners and several ribbon winners in the time it has been organized since last March.

The group began last spring with 21 members and now has 31, Mrs. Ed Ward Jr., known to club members as "Hawk Eye," said this week. She lives at route 1, box 285A, Spring Grove.

Trophy winners include Rose Mary Motroni, Bob Knourk, Sharon Zerr and Arden Maier.

Among the ribbon winners are Ed Ward, Nancy Lemke, Melonnie Jensen, Kathy Minahan, Charles Valee, Maxine Zerr, Rose Mary Motroni, Bob Knourk and Arden Maier.

These club members have traveled every Sunday through Illinois and Wisconsin to take back these honors.

One of the Antioch businessmen, Robert Jensen, is club president. He is proprietor of the Jewel Box.

A new show ring is being built by the organization near the Old Orchard farm on route 173, west of Antioch. Barn dance, Easter egg hunts, cross country race and trail ride and cookout have helped raise money for this.

An open house is being planned by the Little Orchard Riders for near the end of September, 1960. Further information on this event will be published at a later date.

People interested in the club and its activities are being invited to take along their horses and ride with club members. The group suggests those attending take along their family for a picnic.

Coffee and cake will be served by the club during the open house.

Jim Nebel who runs the Little Orchard farm again will open the doors of the farm for the event.

Sequoits Face Wilmot High Friday Night

Antioch to Open Season Against Undefeated Foe

"If the boys look as good Friday night against Wilmot as they did in scrimmage Monday evening, we will be tough to beat." coach Bob Walther of the Antioch high Sequoits commented this week.

The Fighting Sequoits play Wilmot high in a nonconference game Friday evening starting at 7:30 on the Wisconsin school's field.

It will bethe final football encounter between the two schools after eight years. Wilmot and Antioch high will be too busy in their respective conferences after this football season.

Antioch is likely to be a slow starting team this season, Walther said Tuesday. But he predicted the Sequoits should be going strong by mid-season if they can get the "desire."

Inexperience will be the main thing to overcome. Antioch high has but three lettermen back from the 1959 varsity which won 6 and lost 2. The local boys toppled Wilmot high a year ago 20-13.

The Panthers threw a big scare into the Sequoits by tying up the score and almost going ahead before finally losing.

Antioch high finished the 1959 grid season in third place in the Northwest Suburban conference. defeating Wauconda in the season finale 45-0.

"Building up a desire" is the big job for the coaches and players now. If that "desire" is obtained, "look out for the Sequoits," the coaches say.

Antioch high will be using a wing-T against the Panthers T formation Friday night.

And defensively the local youths will be out to stop the passing attack of Wilmot's Bush and the Panthers' off-tackle slant plays, Walther said.

It will be a battle of slashing football on the part of both teams, with the Sequoits trying to throw in a little "trickery" to keep their foes off balance.

Wilmot is expected to have an advantage with a 33-0 victory over Clinton under its belt in a contest played last Friday evening. This week's game will be the season opener for Antioch.

Playing an alumni team last Saturday evening, the 1960 Sequoit squad didn't look good at all, the coaches report. It took the current edition seven plays, for instance, to make its first 1st down.

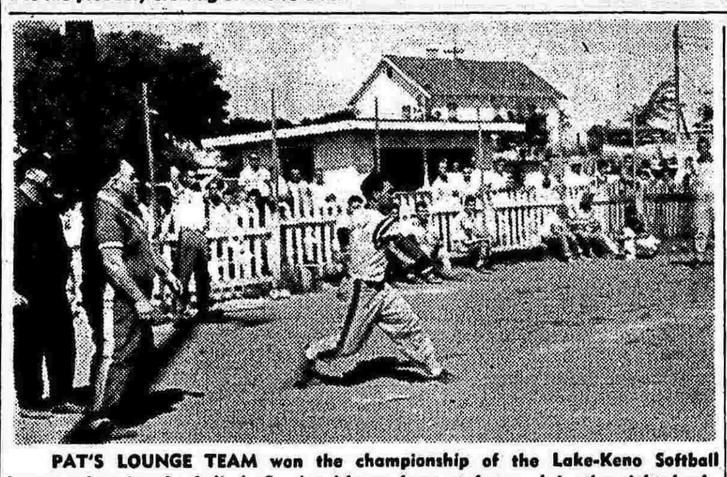

Starters against Wilmot probably will be:

Charlie Schuth at quarterback; Lance Keisler, hb; Toby Henry, fb; Bob Barnstable, wingback; Ed Martin, c; George Sterbenz and Joe Etten, guards; Jim Prosise and Ron White, tackles; Dale Armstorng and Joe Pleviak, ends.

Others looking "very good" so far this season are Ray Partipilio, hb; George Hogan, qb; Joe Gates, fb; Gordy Blumenschein, wingback; John Hedberg, c; Don Verkest and Bill Bonner, g; Bob Kriger, e; Vince Nauseda, t.

WILMOT HIGH WAS READY for its 1960 football season opener with Clinton when this photo was snapped during practice sessions late last week. And the Panthers zipped to a 33-0 victory over the Clinton eleven in a non-league encounter. Wilmot high faces an un-fried in battle Antioch high team on the Wilmot field this week Friday evening at 7:30 in another non-conference grid encounter. The Panthers were strong on defense as well as offense against Clinton. The team shown here was the probably starting offensive unit. (Antioch News photo)

PAT'S LOUNGE TEAM won the championship of the Lake-Keno Softball league when it edged Jim's Service (shown here at bat and in the right background) 17-15 in the finals of a three-team tourney played last weekend at the Golfview field. Pat's tallied three times in the 9th and final inning to top Jim's Sunday afternoon. Saturday Pat's had toppled Golfview 18-6 and Jim's had taken Thom-Eric into camp 15-11 in the semi-finals. Thom-Eric won the 1959 league championship. (Antioch News photo)

Spring Valley Title on Line

SALEM, Wis. — Further eliminations in the club championship golf matches at the Spring Valley Country club were scheduled this weekend.

In class A competition Bill Mongan and Joe Solari earlier moved into the quarterfinals as they took their respective matches over Tony Crema and Bill Jamison. Their opponents haven't as yet been decided.

Class B competition saw Fred Hawkins over Coup French and Ralph Lundin over Pete Baffes. Hawkins is a retired golf pro and the father of young Fred Hawkins, current touring golf professional.

In the class C tourney, Bill Bensoh won over Howard Shepard and George Odell beat K. F. Deitrick. Odell faces Benson in the first leg of the quarterfinals. John Mau defeated Michael Bojesen and faces the winner of a match between Arch Solari and Tom Wolf.

The championship division saw closely contested first round matches with Jack Fields winning over Val Nicpon 1-0 and John Roach taking his match with Frank Lee by a similar margin.

In quarterfinals it will be Roach vs. Fields and Joe Pardi vs. the winner of a match between "Chink" Miller and Paul Rogers.

The Walker Cup tourney has Howard Shepard in the finals vs. the winner of a match between James Wykle and Melvin Garb.

Bantam Bowling Loops To Sign Up Sept. 24

Instruction and registration for Bantam Bowling League, boys and girls, 9 to 15 years old, will be held at the Antioch Bowl at 10 a.m. Saturday, September 24, league leaders said this week.

Both leagues will start action Saturday, October 1. Those who register on September 24 will be able to bowl a free game.

Last bowling season the two leagues were in action with one competing starting at noon and the other about 2:30 p.m.

HUNTING NEWS

Rifle or pistol may be used for squirrel hunting during the open season, the Illinois department of Conservation has announced.

The squirrel season, already under way, continues through October 15 in the southern zone and October 27 in the northern zone.

The Springfield office has received numerous calls from sportsmen who have heard it is illegal to hunt in Illinois with a rifle.

According to state game regulations, deer, upland game birds and migratory birds cannot be hunted with a rifle.

In answer to another question, the department of conservation pointed out that it is unnecessary to buy a migratory waterfowl stamp or duck stamp to hunt mourning doves.

Hunters must have a duck stamp when hunting ducks, geese or brant.

Team Showings Please Panther, Falcon Coaches

WILMOT, Wis. — "It's got to be now or never this Friday," said Union High school football coach Frank Bucci, sizing up the Panthers' final game with Antioch High, scheduled this Friday at Wilmot.

"We've played Antioch nine times, and they've either beaten us or tied us each time. This is our last chance, so we'll be going all out," said coach Bucci.

Expansion of the Southern Lakes league in which Union high plays has ruled out further exhibition games with Antioch.

Coach Bucci had good reason to crow this week, with a 33-0 victory over Clinton High under his belt.

After a scoreless first quarter, Greg Bush scored on a sneak play and Dennis Hanke carried the ball over from the five yard line. Ray Cates ran the extra point.

In the third quarter, Bush snared the kickoff and romped 78 yards for pay dirt, with Hanke running the extra point.

Later in the third period, Wilmot received a punt on its 28-yard line and started a determined march that included a 26-yard run by Hanke.

Twelve plays later, Hanke ran two yards for the TD.

Midway in the fourth quarter, Ronnie May ran 27 yards for a TD on a screen pass.

Wilmot looked good in the statistics, too, racking up 15 first downs to Clinton's 2; 219 yards rushing and 42 yards passing to Clinton's 22 and 13; 4 out of 6 passes completed, compared to Clinton's 1 for 7, and 2 passes intercepted.

Individual yardage included Ray Cates, 44; Hanke, 80; Bush, 30; Alby, 7; Tom Noonan, 17; Lois, 5 and Larry Dombrow, 36.

PADDOCK LAKE, Wis. — Football Coach Roger Terry of Salem Central high school had lost most of his pre-season pessimism this week, despite the fact that his charges lost their opener last Friday to Lake Geneva, 19-6.

"The team looks good and the spirit is fine," beamed Coach Terry. "All we need now is some hard work to iron out some of the rough spots that we noticed in the opener."

The Falcons travel to Elkhorn Friday for a 7:30 p.m. contest.

"There probably won't be many changes in the lineup," the coach reported.

Terry said his hopes are up because the things that went wrong in last Friday's game could happen to any team.

"They were simple mistakes—a block missed here, a tackle there. We made two blunders that practically handed Lake Geneva two of their touchdowns."

He singled out left end Dave Johnson and right tackle Frank Rhodes as doing a particularly fine job on defense.

"Our passing attack was weak," he said, "so we'll be working on that this week, too."

Central's lone touchdown last week was scored by Andy Aguero on a 49-yard romp. The 19-6 final score was racked up in the first half. Central played a tight 0-0 second half.

Antioch Driver Fifth in Race

WILMOT, Wis. — Red Murawske of Antioch placed fifth in the 25-lap semi-feature for modified stock cars at the Kenosha county fairgrounds Speedway in Wilmot last Saturday evening.

A Lindenhurst man, Bob Karry, took top honors in the third 10-lap heat of the modifieds race the same night.

Jack Frost of Zion won the 50-lap feature event, holding the lead from the beginning to the 24th lap when Norm Nelson, Racine, took over. Nelson's car, however, suffered a broken fan belt and he was forced into the pits.

Frost took over on the 26th lap and stayed there till the end.

Nelson took the 1960 Chevrolet El Camino along with the track championship by accumalating the most points for the season.

Reimer Wins Waukegan Speedway Track Feature

WAUKEGAN — For the first time in the 17 programs held already this season, one man outside of the top point leader Greg Krieger, was able to capture his second feature win.

John Reimer scored his second of the season as he took over the lead on the 15th lap and went on to a further more unchallenged victory in the 25 lap main events for modified stocks at the Waukegan Speedway Sunday night.

Reimer had scored his first victory on July 24. He has been the only other driver with the exception of Krieger to score more than one feature wins.

Several other top favorites were stopped from scoring another win when, Paul Hollister of Northbrook, spun out in the early stages of the race.
